

NORTH LONDON

There are great shops all across London but **The Mall Wood Green** is a great shopping spot for north Londoners! It has all the high street favourites including H&M, River Island, Primark and New Look. You can also find lots of food options here as well as other useful services such as a post office.

If you're looking for classic British fish and chips head to **Toff's** in Muswell Hill. It is famous for the fish being freshly sourced everyday! There are so many great restaurants in north London, be sure to get out and about to find your favourite!

Pubs are a key feature of British life, most people regularly drink at a nearby pub which they refer to as their 'local'. You'll no doubt find your own local but **The Bull in Highgate** a good start! It serves home brewed beer and has an amazing seasonal menu! Look out for your local **Wetherspoons** too. This is a chain of pubs that offer well priced food and drink! A local example is **The Mossy Well in Muswell Hill**.

Alexandra Palace (known locally as Ally Pally) sits on top of a hill overlooking London. Inside you'll find an ice skating rink and a huge venue used for all types of events from concerts to craft fairs! The park surrounding is beautiful and features a boating lake and an outdoor adventure course!

Going to the cinema is a great way to spend an evening and there are many of them in north London. Look out for **Odeon, Vue** or **Cineworld** as they are mainstream cinemas featuring all the latest blockbusters. **Phoenix Cinema** in East Finchely is an independent cinema showing the latest films and also live streams theatre, opera and ballet performances!

One of London's best loved parks is **Hampstead Heath**. It is known for its amazing views from Parliament Hill and the outdoor swimming ponds! This park is a great spot for picnics, outdoor swimming and studying!
