VOTING FROM ABROAD

After Fall Break, the students were back to enjoy Wellbeing Week events, but also a last minute chance to request ballots and ensure their votes count! Representatives from Vote from Abroad brought all of their resources and expertise with them to help students request ballots and help those with ballots understand how to complete them and return them.

Wellbeing Week was a nice welcome back to London. It was a good time to remind the students to look after themselves. A grab-n-go breakfast was available all week. Other activities included pumpkin carving/painting, a Halloween-themed movie night, a Crafternoon, cuddles with Sharky the Dog, rugby in the park, a visit to a very popular cat cafe, and a Meet-the-Neighbourhood visit to Highgate Cemetary.

Many students were very busy traveling to: York, Madrid, Milan, Baden-Baden, The Cotswolds, Bath, Salerno, Barcelona, Reykjavik, Dublin, Sevilla, Athens, Santorini, Doolin, Galway, Cardiff, Prague, Liverpool, Paris, Brussels, Amsterdam, Rome, Lisbon, Berlin, Copenhagen, Tangier, Cork, Killarney, Venice, Budapest, and Oslo.
